MULTI-SPORT TURF BUILT FOR PERFORMANCE, DESIGNED FOR PLAY

Introducing a durable, high-performance turf built for multi-use sports fields and recreational landscapes. Featuring parallel long-slit fibers for strength, 120+ micron fibers, and 40% higher tensile strength, it ensures consistent play and long-term durability. Made in America and built to last, Play Zone Multi-Sport is Made for Play!

FEATURES

- **High-Tensile Strength** – 120+ micron fibers for long-lasting durability.
- **Consistent Playability** – Optimized for ball roll, traction, and athlete safety.
- **All-Weather Durability** – UV-resistant & engineered for extreme conditions.
- **Multi-Sport & Recreation Use** – Ideal for sports fields, parks, and active spaces.
- **Low Maintenance & Eco-Friendly** – No watering, no mowing—just top performance.
